SPIRIT HOUSE REASONABLE USE EXCEPTION
RUE2018-00010**

Date of Notice: October 16, 2018

Public Comment Period Ends: November 6, 2018 at 5 PM

NOTICE IS HEREBY GIVEN that the City of Sammamish received an application for a reasonable use exception (RUE) on January 4, 2018. The Applicant requests a RUE to development a single-family residence on a lot entirely encumbered by critical areas and their associated buffers. The plan would require 6,178 square feet of impact (including the 1,872 SF house footprint plus 4,306 square feet of yard, driveway, sidewalk and associated setbacks) to the standard buffer of a tributary to Laughing Jacob's Creek, and an associated wetland. The Applicant proposes over 21,000 square feet of mitigation planting to offset the impact. The parcel is encumbered to such a degree that administrative remedies, such as buffer averaging, would not be possible.

In accordance with SMC 20.05.060, on October 15, 2018 the City issued this Notice of Application by the following means: mailed notice to property owners within 1,000 feet of the subject site, a sign posted on the subject site, and by placing a legal notice in the local newspaper.
